# Accessible Design & Technology panel

**1 Dec 2020**

**15:00 – 16:30 GMT**

Hear how our panel of accessibility experts and advocates have fostered accessible design and technology in their different organisations.

They'll explain the challenges, changes and impact, and their thoughts on the future of accessible technologies and ways of working.

# enABLED to Lead panel

**3 Dec 2020**

**14:00 – 15:00 GMT**

Hear from our panel of senior sponsors of the disability and accessibility agenda in client organisations. They will discuss the pragmatic steps organisations have taken, and plan to take, to enable the disability agenda. The panel will highlight the gaps they see and why it's important to work hand in hand to address those gaps regionally and globally.
